Dear Alison

We would like to congratulate you, your staff, governors and pupils on the success of your work leading up to the recent inspection. We are delighted that there is such a warm relationship between staff and pupils.

We are pleased to read that all staff have high expectations for pupils. We see that pupils are keen to learn and benefit from a well-rounded and ambitious curriculum.

We note that the school does much to support pupils' personal development and provides a wide range of trips and visits for pupils to enjoy.

The report includes many positive references to the work of the school, but we are under no illusion about how hard your staff and you have to work in order to achieve this success. We also realise that your continuing commitment to your pupils and their families is long-term and not simply for one inspection cycle.

Yours sincerely
