Dear Parents & Carers,

**RE: OFSTED inspection**

As you will be aware, our school hosted OFSTED inspectors on the 27<sup>th</sup> and 28<sup>th</sup> February. This is always a challenging and anxious time for all involved.

We are thrilled that our school has achieved an overall rating of **'Good'**, and we recognise all the hard work and commitment that has taken place over recent years to get us to this position.

We are a school that will continue to strive for better and we are aware that there are still areas for improvement. We have every confidence that this continued desire, continued hard work will really help us not only maintain but also improve on this rating in future years.

We hope you will join us in thanking all the staff (and children!) at Springfield, this was certainly no easy task and everyone played a significant part. We are proud of this achievement, well done!

Yours Sincerely

Board of Governors
