Dear Parents/Carers

Computing and Online Safety form an integral part of our curriculum where our aim is to help children to understand the advantages and disadvantages associated with online experiences. Last week year 5 and 6 were fortunate to have a visit from PcsO (Police Community Support Officer) Ria Ware who works with Primary Schools in Sandwell; it was very informative and beneficial for the children. She has now offered to hold a session for parents/carers to discuss online safety and some of the issues children may face while using online platforms. The session is on Monday 7<sup>th</sup> April at 2.30pm; if you are able to attend the session could you complete the slip below and return it to school please.

Thank you  
Miss Booker
