Wednesday 17th June 2026

Dear parents/carers.

At the beginning of the school year, our Rights Respecting team picked Acorns Children's Charity to support. We have raised lots of money so far and would love to end the year by raising even more.

We would like to have a picnic to celebrate a wonderful school year and take the opportunity to raise a little more money for the charity.

Children will spend time (weather permitting) on the field, where they will enjoy games and activities, as well as a picnic snack.

We are asking families for a £1 donation, which will go to the charity.

Please can children bring a **small picnic snack and drink** – this is in addition to their usual lunch. Children can also bring in a blanket and cuddly toy too if they would like to.

Please see the below dates for when your child's picnic will be.

Wednesday July 8th Years 1 and 2

Thursday July 9th Years 3 and 4

Friday July 10th Years 5 and 6

If the weather is not suitable for an outdoor picnic, the children will have the picnic inside.

We hope this will be a lovely way to finish the school year and raise money for such a worthy cause.

Many thanks for your continued support,

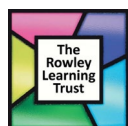

Mrs Grant and the Rights Respecting Team.

By supporting charities like Acorns Children's Hospice, we link to **Article 24 (Health and Health Services)**: Every child has the right to the best possible health, including high-quality healthcare, palliative care, and access to services that alleviate pain and suffering.

Be the best you can be.

Respect, Resilience, Reflection and Empathy.
