

☀️ What a Week! ☀️ Hello parents and carers! 🙌 What a fantastic first week back it has been – we are so happy, and even more importantly, the children are too!

Lovely Literacy

This week we've been munching our way through The Very Hungry Caterpillar

🐛 🍎 🍌 The children have done an amazing job using their Talk for Writing skills to map, retell, and bring the story to life. We've loved hearing their confident voices and imaginative ideas!

Marvellous Maths

In Maths, we've been exploring 3D shapes 📦 ⚽ The children have been spotting shapes in the classroom, building with them, and chatting all about their features— learning through play at its best!

☀️ Weekly Highlights ☀️

This first week back has been packed with excitement and happy moments:

- ☀️ The children returned with big smiles and settled back into routines beautifully.
- 🐌 Our slippery, slimy snails made their grand return after the Easter break, much to the children's delight!
- 🎨 Creative activities have filled the classroom with colour and imagination.
- 🤝 Friendships have blossomed again as the children reconnected with one another and their teachers.
- 🌈 Their confidence, kindness and enthusiasm have shone through in every activity.

We are so proud of how smoothly the children have transitioned back into school life. They truly are superstars.

Thank you for taking the time to read our first edition of our weekly newsletter – please come back next week to find out what we have been up to 😊
