

Lovely Literacy

Our story of the week has been *The Very Busy Spider*. The children have enjoyed joining in with the repeated phrases within the story. We discussed what the word busy means and how we can be busy in different ways. We have learnt lots of different facts about spiders from where they live to what they eat and how they spin their webs. Our sound this week has been "v" and we have loved looking at different objects beginning with this sound.

Marvellous Maths

This week in Maths, we continued to link our activities to songs and rhymes to help us to recognise patterns. We discussed different patterns that we can see around us and how they are repeated. Through reading stories, we were also able to recognise different patterns. We also sang number songs and counted with accuracy to at least five using objects to help us.

Weekly Highlights

-  Our caterpillars have now become chrysalises. We loved seeing them change at the beginning of the week.
-  We enjoyed using paper to make spiders.
-  We have learnt lots of interesting facts about spiders. Did you know most spiders have 8 eyes?
-  We used elastic bands over wooden frames to help us strengthen our hands and muscles inside them.
-  We tried hard to colour our spider pictures and stay within the lines.
-  We used tweezers to collect objects from a spider web.
-  We used number stamps to match the numeral to the amount.
-  We enjoyed using the outdoor stage to dance and play instruments.

Well-done to our assembly winners this week who have been working hard and making the right choices throughout the week.
