

Lovely Literacy

Our story of the week has been *The Very Greedy Bee*. We discussed what the word greedy means. We thought about how we can be greedy with toys as well as with food. We talked about the fireflies were kind to him and how unkind the Bee had been. The been learnt to share with others and to not be quite so greedy. Our sound this week has been "y" and we have loved looking and different objects beginning with this sound.

Marvellous Maths

This week in Maths, we have been looking at shadows and routes. We have looked at objects from different sides and discussed how they look different from other angles. We have used stories to help us to make and follow a simple route, drawing objects on a map to show where we are going. We have used positional language to help us to describe our route. We have sung some number songs and shown amounts on our fingers.

Weekly Highlights

-  We have some butterflies that have hatched out of their chrysalis. We released them in the woodland area on Thursday.
-  We made fairy wands in the woodland area.
-  We used scissors to cut out bee shapes.
-  We learnt how to draw a bee.
-  We used potato mashers to make a bee with paint.
-  We looked at how our seeds from a few weeks ago have grown.
-  We talked about kindness and how we can show it to others.
-  Outside we have used bean bags to aim at hoops and develop our throwing and target skills.

Well done to our assembly winners this week who have been working hard and making the right choices throughout the week.
