

#### Lovely Literacy

Our story of the week has been Farmer Duck. We discussed what was happening in the pictures and why the duck was doing all the work. We talked about why the duck was upset and why his friends felt sorry for him. We all joined in with repeated phrases and made the correct animal sounds.

Our sound this week has been "qu" and we have loved looking at different objects beginning with this sound. We have also recapped the sounds we have previously learnt.

#### Marvellous Maths

This week in Maths, we have been looking at dots and matching them to numerals. We have counted objects and tried hard to write the correct number. We used the screen to help us to recognise numbers and give the correct number of cakes to the teddy bear. We have also joined in with counting songs and rhymes.

#### Weekly Highlights

-  We used scissors to cut out animal shapes and put them in the right place on the farm.
-  We used ramps to slide cars down them.
-  We used the farm and animals in our role play.
-  We used dough to make different animals.
-  We used dough disco to roll, squash, squeeze and pinch the dough.
-  We used bikes outside, taking turns to ride them.

Well done to our assembly winners this week who have been working hard and making the right choices throughout the week.
