Summer 2 Week 4

Lovely Literacy

This week in Reception, we have been reading *The Snail and the Whale*. We enjoyed talking about the story and the adventures of the snail and the whale. We also had a fun discussion about what we would do if a snail left a message in our classroom. The children shared lots of creative ideas and enjoyed using their imaginations!

 [The Snail and the Whale - Animated Read Aloud Book](#)

Marvellous Maths

In Maths this week, we have been learning about describing positions and using positional language such as in front of, behind, next to, and between. We explored how moving around can help us see things from different angles and viewpoints. The children used small-world scenes and building structures to support their learning, helping them to talk about where objects were positioned and develop their understanding of space and direction.

Weekly Highlights

Stayed cool with lots of water play 

Visited Key Stage 2 to cool down 

Talked about the importance of staying hydrated 

Enjoyed lots of construction using interlocking cubes 

Created petal-stained pictures in the woodland
