Autumn 1 Week 3

Lovely Literacy

This week, Reception have been reading *Our Class is a Family* and talking about the special people in our families. We have enjoyed sharing who is important to us and looking at photographs to help us create our very own family tree. We have also been practising our speaking and listening skills, taking turns to talk about our families and listening carefully to our friends as they shared stories about the special people in their lives. It has been lovely to hear all about the people who are important to our children and celebrate what makes each of our families special!

Marvellous Maths

This week in Maths, Reception have been exploring repeating patterns. We have been spotting and creating patterns using different objects and looking carefully for patterns in our environment. We have also had lots of fun making movement patterns, using actions and sounds to create our own sequences. We have been developing our mathematical thinking by spotting mistakes in patterns and explaining what needs to be changed. We have loved becoming pattern detectives!

☀ Weekly Highlights ☀

Talking about our families and the special people in our lives 🧑🧒❤️

Learning our Kinetic Letter animal poses 🐸🦒

Starting our phonics lessons and learning lots of new sounds abc 🔊

Creating repeating patterns using different objects ●■

Enjoying mark making in our All About Me story books 🖋📖
