Autumn 1 Week 5

Lovely Literacy

This week, we have been enjoying the story *Cant You Sleep, Little Bear?* The children joined in with the story, talking about Little Bear and what happens at bedtime. We explored different sounds, actions and repeated phrases while developing our listening, communication and language skills. The children also enjoyed talking about night-time, sleep and their own bedtime routines.

Home Task: Talk about your child's bedtime routine together. Can they tell you what happens first, next and last? You could also look at the night sky and talk about what you can see.

Marvellous Maths

This week in Maths, we have been learning about **patterns!** The children recapped their colour names and explored how colours can be repeated to make simple patterns. We also took our learning outside into the woodland area, where the children used natural materials such as **leaves and sticks** to create their own patterns.

Home Task: Create a simple pattern together at home! You could use toys, socks, cutlery or objects from around the house. Can your child continue the pattern?

Weekly Highlights

- **Puppets & Masks:** Used puppets and masks to retell and act out the story.
- **Day & Night:** Sorted pictures into things we see and do during the day and at night.
- **Making Patterns:** Recapped colours and created simple repeating patterns.
- **Woodland Patterns:** Used leaves and sticks to make patterns outdoors.
- **Funky Fingers:** Developed our fine motor skills by twisting and turning bolts and using tweezers to sort objects.
- Continued **Phase 1 Phonics** with our nursery rhymes and listening games.
